

Annual report on the activities of the Foundation for Development and Support of Social Initiatives ALT

2025

ALT.

Foundation for Development
and Support of Social Initiatives

About the Foundation

ALT Foundation is a non-profit, non-governmental and apolitical organization, founded in November 2023 in Chisinau.

The Foundation's Mission

Promoting sustainable development and social harmony through the preservation of cultural heritage, the protection and conservation of nature, as well as supporting educational and sports initiatives.

The main goal of the Foundation is to promote social progress and improvement in the following directions:

1. Preservation of cultural and historical heritage
2. Protection of nature and biodiversity
3. Ensuring quality education and access to it
4. Supporting national sports and other initiatives to promote Moldova internationally

In 2025, the following important steps were taken to achieve the established objectives:

- » 8 national projects were supported;
- » Over 50 official meetings of the Foundation's representatives were held with local and central authorities, international partners, non-governmental organizations and experts;
- » A Memorandum of Cooperation was signed with the National Olympic and Sports Committee of the Republic of Moldova (September 16, 2025);
- » A Memorandum of Cooperation was signed with the only Puppet Theater for children in the country "Licurici" (September 16, 2025);
- » 4 meetings of the Foundation Council were organized, during which decisions were made regarding the directions of activity and project support;
- » National and international experts were involved to ensure a high level of quality of the works, as well as to provide the necessary advisory support to institutional partners;
- » The first stage of the project to create a collection of works by Moldovan artists has been completed.

Projects that benefited from support in 2025:

Direction 1: Cultural and historical heritage

The Foundation supports projects aimed at protecting, preserving and restoring significant cultural sites and historical monuments. This includes the reconstruction of buildings associated with outstanding personalities, historical events and spiritual life.

Restoration of the historical monument - the wooden church "Holy Archangels Michael and Gabriel" in Vorniceni village, Strășeni District.

The purpose of the project is to restore the church built in the 16th century. This is one of the two wooden churches with a decorative tower above the porch, in the Moldavian style, that have survived to this day.

Total project budget :
4 218 633.88 MDL
